- Paper pack creation – Exclusive use 12 piece digital papers sized at 12x12 inches at 300 ppi is \$150 or you can purchase individual papers for \$15 each. Non-exclusive use papers will be resold in my shop and are \$50 for a 12 pack (these are not sold individually). This is a very interactive process and time intensive. It is best if you have a clearly defined idea of the patterns and colors you want to use.
- Template creation – Exclusive use template creation using papers & elements provided by you are \$12 per 12x12 or smaller template. If you need papers or elements created for use within the template, those are \$6 per piece in addition to the \$12 template creation fee. For example, an 8x10 marketing flyer template with clipping masks, text, 1 paper and 2 scroll elements is \$30 (\$12 template, \$6 paper, \$12 scrolls).

All projects are taken on a first-come, first-serve basis. Turn around time is generally within 7 to 10 days. A retainer of \$200 is required to secure the work to be completed with full payment due at time of completion. If the work you need done is less than \$200, you will be credited back the difference at time of completion. Payments are accepted through PayPal so that you can choose to pay by wire transfer or credit card.
